# NZ Sculpture OnShore 2020 SCHOOLS PROGRAMME

**7th – 22nd NOVEMBER 2020**

[www.nzsculptureonshore.co.nz](http://www.nzsculptureonshore.co.nz)

# About NZ Sculpture OnShore School Tours Programme

NZ Sculpture OnShore supports NZ Women's Refuge & since its inception has raised almost \$2 million for the charity. The Friends of Women's Refuge Trust thank all the schools & students who have contributed to the success of the event.

NZ Sculpture OnShore is delighted to deliver its School Tours Programme which is designed to inspire young Sculptors & Artists through the world of 3 dimensional art. The Programme offers children & teenagers the opportunity to experience the largest collection of outdoor sculptures in NZ. We hope to encourage students to develop an appreciation of sculpture & expand their own creative talents.

This programme has been developed over the course of NZ Sculpture OnShore's history & now offers over four days of opportunities for Auckland primary, intermediate & high schools to attend. The exhibition is staged on the stunning North Shore clifftop reserve at Fort Takapuna, Devonport.

The School Tours Programme is suitable for Years 3 – 13; whole class, small groups, art extension, gifted & talented, English language students or simply those keen to experience sculpture in an outdoor gallery.

Tour sessions are designed to accommodate primary, intermediate & high school groups of all sizes. Groups have access to the outdoor exhibition featuring 100 large scale artworks by established & emerging NZ artists.

Groups will also have access to the Schools Exhibition held in the fascinating underground fort. Public access to this unique venue is only permitted once every two years during NZ Sculpture OnShore.

School groups are welcomed on site by our School Tours team & briefed on how to make the most of their visit.

# Participating Schools

Any schools participating in the 2020 school tour programme will be given first right of refusal for participation the Children's Sculpture Exhibition for 2022.

20 schools have already been selected from the Auckland region to showcase their work in the 2020 Schools Exhibition.

School groups are welcomed on site by our School Tours team and briefed on how to make the most of their visit.

Education specialists have created a programme which is tailored for varying student age groups. Teachers are provided with comprehensive resources to encourage students to develop their responses to sculpture through interactive and informative activities. The pack includes suggested activities for pre-visit preparation, on-site discussion and post-visit follow up ideas. Teachers organise and lead their groups around the exhibition.

# Testimonials

“We took our Enrichment Visual Arts group to the 2016 Sculpture Onshore Exhibition and they were absolutely enthralled. The discussion that was had by the children at each and every exhibit was a real privilege to be part of. A very inspirational experience outside of the classroom environment”.

*Audrey Cadness, Teacher at Sunnynook Primary School.*

**Dates:**  
**Tuesday November 10<sup>th</sup> - to**  
**Friday November 13<sup>th</sup>**

**NOTE: The exhibition is closed on Mondays**

**There are 2 session times on each week day  
of the exhibition**

**Start times are 10am and 12pm**
